SPEND FISH TOKENS

Fish tokens are neither resources nor commodities. Fish tokens are not affected by progress cards. Once you reach level 3 on the Science track, you receive 1 resource card of your choice if you receive only fish tokens during the Production phase.

When you spend fish tokens, the following changes apply:

- 3 fish – Steal 1 random resource or commodity card from another player.
- 4 fish – Take 1 resource card of your choice from the supply. You may not take commodity cards.
- 7 fish – Take 1 progress card of your choice from the supply.

WINNING THE GAME

If you have **13 or more VPs** at any point during your turn (**14 VPs** if you have the old boot), the game ends and you are the winner!
