## STARFARERS DUEL

### ERRATA TEMPORARY FIX SHEET

The English edition of CATAN – Starfarers Duel contains an **incorrect die with the numbers 1-6 depicted**. The die **should have numbers 1, 1, 2, 2, 3, 3**.

**The blue combat die is correct.**

We are deeply sorry for this mistake and we are working as fast as we can to source replacement dice and will communicate a timeline as soon as we can via our social media channels and [catan.com](http://catan.com).

In the meantime, **the game can still be played with the orange die**.

When rolling, substitute the following results for a 4, 5, or 6.

**You can print this page and cut out the two cards below to use as a player aid.**
